

## Approvals/Listings

At ITW Ramset we have an ongoing commitment to product testing. We pride ourselves on the extensive list of approvals and listings for our entire ITW Ramset product line. Listed below are some of our most frequently requested reports available for download. If you have questions or require copies of any additional reports, contact our Technical Service Department at **1-800-726-7386** or [techsupport@ramset.com](mailto:techsupport@ramset.com).

**Note:** Ramset will make every attempt to respond to emails within 48 hours.  
If you prefer more immediate assistance, please call **800-RAMSET6 (726-7386)**.

Downloads are .pdf Adobe Acrobat Files and require Adobe Acrobat Reader to view and print. If you do not have Adobe Acrobat, click on the icon below to download a free copy.

Effective January 1, 2009, ITW Buildex has transitioned the selling of the GypFast product line to ITW Ramset. The fasteners continue to be manufactured by ITW Buildex; fastener head stamping and design remain the same. All approvals, listings and tests citing ITW Buildex should be considered valid for fasteners sold under the ITW Ramset name.
